

DAILY AUDIO BIBLE CHRONOLOGICAL

Read by China Harding

Since 2006, the Daily Audio Bible has been reading God's Word on the Internet every single day in one form or another for people to listen to. The hosts and readers, the Hardin family, takes you on this grand adventure.

MISSION STATEMENT

This is what the ministry at the Daily Audio Bible firmly believes in:

The Daily Audio Bible is committed to guiding Christian's worldwide into an intimate and daily friendship with the Bible. This is accomplished by providing the spoken Word of God freely in multiple languages and by the creation and establishment of communities that have no geographical limitations. Our efforts are devoted to exposing the rich texture and heritage of the Bible's life changing power by educating the Believer on how to engage in and interact with the ancient Scriptures in a future world.

HOW TO LISTEN

One of the wonderful things about the Daily Audio Bible Chronological is the number of ways it offers to listen to it. No matter which method you choose, you will find that it can be a fantastic way in which to engage the scripture every day.

- **App:** The simplest way to use the Daily Audio Bible to is to download their app for your phone or tablet.
- **Web:** If you go to their website each day, you can listen freely from their player (site below).
- **Podcast:** They also release their reading daily in podcast form, which can be listened to via your favorite podcast app.

THE FORMAT

Each days' broadcast of the Daily Audio Bible Chronological contains more than just scripture. The actual scripture reading is, on average, 15-20 minutes each day. The rest will vary and is not necessary to listen to. It's up to you. Here is a breakdown of what you might encounter.

- **Intro:** *(optional)* A quick introduction for the day.
- **Scripture:** *(required)* The Chronological plan covers events from the Bible in sequential order.
- **Commentary:** *(sometimes, optional, recommended)* Sometime China will provide commentary on something that was just read. If you have the time, it is recommended.
- **Prayer:** *(optional, recommended)* She will always close with prayer. Most times related to what was read that day. Always beautiful. On some days she will end with a song that is also beautiful.
- **Announcements:** *(optional)* Daily Audio Bible announcements.
- **Community prayer:** *(optional)* They operate a prayer hotline that people can dial into and those are included here (and a special one on Saturdays).
